

SAMUEL EHIGALE AIGBEFO

Full-Stack Developer

Email | Portfolio | [GitHub](#)

OBJECTIVE

Detail oriented and results driven Full Stack Developer with hands on experience building scalable web applications using modern technologies including Next.js, React, Node.js, and TypeScript.

Experienced in designing responsive user interfaces, integrating RESTful APIs, implementing state management solutions, and deploying production ready applications.

Passionate about building high quality digital solutions that enhance user experience, optimize performance, and support scalable business growth.

SKILLS AND COMPETENCIES

- JavaScript, TypeScript, React.js, Next.js, Node.js, Express.js, HTML5, CSS3, Tailwind CSS
- State Management
- Zustand, React Context API
- Backend & APIs
- REST API Development, API Integration, Authentication Systems, Zod
- Databases
- MongoDB
- Tools & Platforms
- Git, GitHub, Postman, Cloudinary, Vercel

Other Skills

- Responsive Web Design
- Performance Optimization
- Debugging & Testing
- Version Control

EXPERIENCE

Internship

2024-2025

Brimarck Enterprise Limited

- Leading the development of scalable web applications using Next.js, TypeScript, and ensuring responsive design and optimal performance.
- Implemented global state management using Zustand, simplifying data flow and reducing prop drilling across complex React components.
- Designed and deployed RESTful APIs to support frontend integration, reducing data load time by 25%.
- Managing source control and workflow pipelines using Git and GitHub, maintaining clean and trackable codebases.
- Integrated Zod for runtime validation and TypeScript-safe schemas, improving API reliability and reducing client-side errors.

Intern

2023-2024

Zippo NG

- Developed and maintained responsive web features using React and CSS, increasing user engagement by 20%.
- Integrated RESTful APIs using Node.js and Express, optimizing data retrieval and performance.
- Participated in frontend debugging and backend fixes to ensure consistent app performance.

EDUCATION

Yaba Tech, Lagos

National Diploma

Deebug Institute, Benin City

Certificate in Front End Developer

Relevant Coursework: Web Development, Data Structures, Databases, Algorithms, Software Engineering

CERTIFICATIONS AND TRAININGS

- ✓ Software Engineer – Aptech
- ✓ Front End Developer– Deebug Institute
