

SAMUEL EHIGALE AIGBEFO

Frontend Developer

[Email](#) | [Portfolio](#)

OBJECTIVE

I'm a detail oriented and creative Front-End Developer seeking to leverage strong skills in HTML, CSS, JavaScript and modern frameworks like TypeScript, React, Next Js, Tailwind CSS to build responsive, user friendly web applications. Eager to contribute to a dynamic team where I can apply my design sense and coding expertise to enhance user experience and deliver high-quality digital solutions.

SKILLS AND COMPETENCIES

- Languages & Libraries: JavaScript, TypeScript, React, Next.js, Tailwind CSS
- State Management: Zustand, Context API
- Tools & Platforms: Git, GitHub, Postman, Cloudinary, Vercel
- Soft Skills: Problem-Solving, Communication, Team Collaboration, Time Management

EXPERIENCE

Internship

2024-2025

Brimarck Enterprise Limited

- Leading the development of scalable web applications using Next.js, TypeScript, and ensuring responsive design and optimal performance.
- Implemented global state management using Zustand, simplifying data flow and reducing prop drilling across complex React components.
- Designed and deployed RESTful APIs to support frontend integration, reducing data load time by 25%.
- Managing source control and workflow pipelines using Git and GitHub, maintaining clean and trackable codebases.
- Integrated Zod for runtime validation and TypeScript-safe schemas, improving API reliability and reducing client-side errors.

Intern

2023-2024

Zippo NG

- Developed and maintained responsive web features using React and CSS, increasing user engagement by 20%.
- Integrated RESTful APIs using Node.js and Express, optimizing data retrieval and performance.
- Participated in frontend debugging and backend fixes to ensure consistent app performance.

EDUCATION

Yaba Tech, Lagos

National Diploma

Deebug Institute, Benin City

Certificate in Front End Developer

Relevant Coursework: Web Development, Data Structures, Databases, Algorithms, Software Engineering

CERTIFICATIONS AND TRAININGS

- ✓ Software Engineer – Aptech
- ✓ Front End Developer– Deebug Institute
